SUDS 2026

Scottish University Dry Slope championships

Saturday 24th October 2026
Bearsden Ski & Board Club
Bearsden, Glasgow, G61 3RS

Entries are open for the 2026 edition of SUDS at Bearsden! You can expect the usual roster of competitions:

- Individual Ski Slalom
- Individual Snowboard Slalom
- Individual Duals (by qualification)
- Team Duals
- Rail Jam
- Big Air

The deadline for entries is **5pm on Monday 19th October**, and the prices are:

- Single discipline (freestyle ***or*** race): £45
- Double discipline (freestyle ***and*** race): £55
- Team Duals - **Ski**: £65 per team; **Board**: £45 per team

Rules and regulations can be found at sasc-snowsports.co.uk/about.

Online information is available at:

sasc-snowsports.co.uk/competitions/suds and gbski.com/competition.php?ID=1778.

If you have any questions, please get in touch at info@sasc-snowsports.co.uk.

Entry Criteria

The event is **open to all currently-matriculated students**, and all entries must be accompanied by a valid student ID number. Those who have **graduated within the last year** are also eligible to enter and compete for their former college or university.

We accept entries from disabled competitors: please get in touch and let us know how we can accommodate on the day! If there are a significant number of entries from disabled competitors, we will endeavour to create a separate category.

Any gender non-conforming or non-binary competitors should enter in the 'open' class.

Format & Awards

Each competition is competed in two categories: open and women's, with awards normally made for 3rd-1st place in each. For more information on each competition, see sasc-snowsports.co.uk/competitions/suds.

We endeavour to ensure that prizes are of equal value across all categories. However, if there are categories in particular competitions which are exceptionally small, we may choose to make awards differently in these categories (e.g. if a category only has two competitors, the winner has only beaten one person, vs. other categories with dozens of entries).

Prize giving is held on the bottom of the jump slope at the end of the day following the conclusion of all competitions.

Team Duals & Kings

The team duals competitions will count as round 2 of the Kings Ski Club Scotland league. This applies only to teams that are affiliated to Kings Ski Club. Team duals will run as they always do at SUDS, with results extracted for league point-scoring purposes.

Team Award

Throughout the day, competitors accrue points for their college or university as they finish in competitions, such that 1st place scores 8 points, 2nd scores 7, and so on, down to 8th scoring 1 point.

If a competition has 3 or fewer entries, points will be given such that the person who is placed last out of the competition will not get points. For example, if there are 2 entries for women's snowboard, only the woman who comes first will get points for their university team. If there are 3, first and second would get points.

Entries & Refunds

All **competitors should enter through their club**, and clubs should submit a single entry form for all their competitors. If your college or university does not have a club, we will accept your entry individually.

Entries are **editable until 5pm on Thursday 22nd October**. This allows you to make name changes or update details of any competitors (so you can leave some information as TBC, such as student IDs, and come back to add it later). You will receive a confirmation after submitting your entry form, which contains a link to do this - you can also use this link to add additional competitors/teams to your entry.

Single discipline (race *or* freestyle):	£45
Double discipline (race *and* freestyle):	£55
Ski duals:	£65 per team
Snowboard duals:	£45 per team

Entry link: peakpass.co/event/suds-2026

Entries are **open until 5pm on Monday 19th October**. Late entries may be possible upon request, but will be subject to a late entry fee. There are a **maximum** of 32 ski duals team entries with spaces given on a first-come, first-served basis.

Withdrawals & Refunds

The Scottish University Dry Slope championships is organised by the Scottish Alpine Student Committee CIC ('SASC'), a Community Interest Company and registered non-profit. Once you have **submitted an entry, you are committing to pay** that entry, whether you pay your entries by card at the time or later by invoice.

SASC prices all events to cover its costs, and as such **generally can not offer cancellation or refunds**. The exception is where a competitor is entered and is **subsequently injured** and unable to compete: a **refund will be given** for their entry **upon submission of proof**, e.g. a signed letter from a medical professional.

Bibs

Team captains will be issued with a unique bib for each of their competitors. All competitors should carry their assigned bib with them when on the slope, and must wear it when competing (with the exception of *team* duals).

Bibs must be returned by the end of the event - captains and competitors bear equal responsibility for this. Clubs or individual competitors will be issued with a fine of £50 for each bib not returned. Non-payment of the fine will result in automatic rejection of entries from that club in future events.

Rules, Health & Safety

This event runs according to the SASC Event Regulations, which all competitors must be aware of. All attendees, including spectators and officials, must adhere to the SASC Code of Conduct. These, along with all of our other policies, risk assessment, and details of liability insurance, are available on our website.

First Aid

First aid on the day will be provided by St Andrew's First Aid.

Insurance

The Scottish Alpine Student Committee CIC is affiliated with Snowsport Scotland which provides all entered competitors with the necessary third-party liability insurance cover on the day of the event. Note that this is not a medical or travel insurance policy. For more details, see our website.

Communications

Team captains should already be a part of the captains' WhatsApp group, but if not, please get in touch with your phone number to be added. There will be a separate WhatsApp group for announcements specific to SUDS 2026, including results on the day, and any changes to the timetable.

Officials

Most of the event officials are volunteers who have given up their time and without which it would not be possible to run the event. If you or anyone you know wants to get involved, please get in touch!

Logistics

The event is held at Bearsden Ski & Board Club, Glasgow, G61 3RS.

From the M8 motorway through Glasgow, Bearsden can be reached by several routes, mostly coming through Canniesburn Toll. This can be slow, so please allow plenty of time to arrive at the venue.

There is limited car parking available at the venue. The venue has changing facilities, toilets, a bar and cafe, and there will be a BBQ available on the day.

Team Captains' Meeting

There will be a mandatory meeting for all team captains first thing in the morning. Unexplained non-attendance will result in the club being fined.

Accommodation

Local accommodation is available, including youth hostels, hotels, B&Bs, and self catering properties (usually available via Booking.com or Airbnb). Try this link for a list of options: visitglasgow.com/good-to-know/hotels-and-accommodation.

All participants in SASC events have a responsibility to behave in an appropriate manner at the venue *and* in the surrounding area. Please particularly be courteous to local residents.

Provisional Programme

Please see the timetable for the day on the next page - **note that this is subject to change**. Timings are also subject to move forwards *or* backwards due to weather, delays, etc. Changes will be communicated via WhatsApp.

SUDS 2026

Timetable

Double discipline competitors should prioritise adhering to their *race* start order and can dip in and out of freestyle to do so.

Time	General	Main Slope	Jump Slope	Bar
08:45	Captains Meeting
