RACE STRUCTURE

The races will be run as follows;

U12 / U10

The 1st run is to be performed in ascending order from the start list. The 2nd run in reverse order within each gender and age group. In the event of a subsequent (3rd) run, we will revert to the 1st run start list. The single fastest run time of each athlete will be used to calculate the results.

Regarding SG events, there will be 2x races, thus we will use 2x different start lists, drawn at random for each race of SG and run in ascending bib order.

U16+ / U14

Separate ladies & men's start lists will be produced as per BCR rules. For Slalom events, separate courses will also be run. U14 groups will perform their first run using a randomly drawn start list that will be reversed for the 2nd run.

U16+ athletes will perform their first runs after U14 in their respective genders, with the top 15 drawn, followed by ascending point order & 999.99 pointed athletes drawn at the end. The top 30 will be reversed for run 2, followed by ascending time order from the first run. There will be no 2nd runs offered for DNF / DSQ in the U16 category.

Giant Slalom races will be run through one course using the following start orders:

U14 W
U16 W
U14 M
U16 M

Regarding SG events, there will be 2x races, thus we will use 2x different start lists that include all U16 & U14 athletes. A top 15 will be drawn (as will any unseeded 999.99 athletes), with bib 16+ in ascending point order (until the 999.99's).
