RACE ENTRY DETAILS

All competitors must have a current insurance policy that permits them to ski race. The Organising Committee may require proof of insurance such as a valid governing body race licence or an independent certificate of insurance.

All competitors must have an active FIS license and FIS code.

All British entries to be made via the official online entry system on www.ambitionracing.co.uk
Fees = £95 per race event.

All International entries are to be made by NGB, with a deadline of 48 hours before the first TCM for each series. All international race entry payments can be made upon collection of start numbers on the morning of each race event.

REFUNDS

In the case of withdrawal from any event due to injury (prior to the competition date only) refunds may be available. No refunds will be due on the day of any competition nor during a competition.

Refunds will **not** be available for adverse weather / snow conditions that result in the cancellation of races. The organisers & hill team will do their upmost to ensure that all of the races are run in full & on time.

In the event of a race cancellation (for example, an oversubscribed series resulting in the delivery of 1x race per day instead of two), this will be decided at the TCM and any British entries for additional races refunded.

The races are being run by a small team from Ambition Racing; thus, we may require a small amount of support from coaches during the races. In such cases this will be communicated through the event WhatsApp group.
